KEOYANG LINKERS Co., Ltd.

KeoyangLinkers Leads the 21st Century

Since establishment in 1987 under the motto of “Making customer first priority, Innovating technologies & Serving our community”, Keoyang Linkers Co.,Ltd. has achieved a phenomenal growth while surviving severe competition at home and abroad, and made a tremendous tribution to ensuring success of such undertakings in which we participated as public buildings, industrial facilities, research institutes, residential public pools, theme water park and health sauna by meeting the needs of our customers with technological innovation and creating values to satisfy the needs of our customers.

We endeavor to identify and analyze client needs proactively to ensure more synergy effect with our customers as we are aware that conventional paradigm alone cannot enable us to lead the ever-changing market trends in mechanical, fire-prevention and clean room engineering fields, which has led us to be what we are now.

We will stay committed to innovating & refining engineering technologies with our accumulated know-how and creative spirit to meet customer expectation with quality engineering service.

Thank You
